

FEATURES

Hot Air Circulation for More Even Temperature

Well-designed convectional heating brings even temperature distribution to achieve excellent insulation performance.

Compact Design, Flexible Application

The compact design saves countertop space while increasing the food holding space for up to 8 whole chickens.

Large Capacity, Double Door Design

Two sets of food trays are available. Each food tray can hold up to 4 full chicken. A maximum of 8 chicken can be kept. Double-sided transparent doors makes it easy for operators to observe and retrieve food two-way in a first-in and first-out order.

Easy to Clean

Food trays and ventilation ducts can be easily removed to clean and wipe.

Technical Specifications

Product Category	Compact Holding Bin
Model Number	VH-SDMW
Electrical Rating	220V 50Hz
Product Dimension	W380mm x D625mm x H440mm
Compressor Size	500W
Operating Temperature	30-90°C
External Construction	VH-SDMS: White coated galvanized sheet
	VH-SDMW: Stainless Steel
Internal Construction	304Stainless Steel
Tray Dimensions	304 Stainless Steel Tray
Height/ Layer	W300mm x D400mm x H100mm
Warranty	One year
Agency Listing	GB
